

# Maintenance Sheet

The following instructions are to help maintain the life of your DIGBY BUILT door.

---

## CLEANING:

<b>DO</b>	<b>DO NOT USE</b>
Glass cleaner products for the windows	Solvents
Soft cloth for any cleaning	All-purpose cleaners
Contact the installing company for general service at least every two years	Degreasers
	Adhesive removers
	Bleach
	Acetone-based products
	Pressure washing systems

## LUBRICATION:

-Lubrication on hinges, bearings, and springs are highly recommended to be done annually.

-When spraying hinges wipe any excess so it does not fall onto the aluminum or glass, it can cause damage.

-No heavy grease on the tracks.
